# PERSONALIZATION

A variety of engraving options are available to personalize the selected urn, token or keepsake.

## ENGRAVING OPTIONS

We offers (3) engraving packages to choose from.

### Basic

Two (2) available fonts to choose from (Helvetica and Script MT); includes engraving of name, year of birth and year of death (directly on urn or nameplate if applicable).

### Standard

Selection from all available fonts. Can choose any plate (if applicable) and includes multiple lines of engraving.

### Premium

Same as Standard level with the addition of stock art from CMC's collection (see selection on page 35).

### Custom Artwork \$175

This option offers the possibility to upload a personalized image to be engraved directly on the urn (contact us to find more about this option).
