ABOUT CLEVELAND CREMATION

If cremation is right for you, Cleveland Cremation sets the standard. Not only do we specialize in cremation, but we own and operate our on-site crematory unlike most local funeral homes, so we control the entire process once someone is transferred into our care.

We like to challenge yesterday's ways of funeral service. We believe more established, traditional funeral homes (previously the cornerstones of our industry) aren't always the best fit for your funeral needs. In addition, our prices are typically 40-60% less than these firms for the same cremation services. This makes us a great alternative to a costly, traditional funeral home.

We know you are looking for an exceptional experience, in light of the situation you are facing. We realize that if we want to continue to be viewed as the leader in cremation, we can't offer just the status quo. Our difference has to be apparent and it is. We provide outstanding funeral service at an affordable price.

Call on Cleveland Cremation and our professional staff will work with you and your family to assure a simple, secure and affordable cremation.

HELPFUL HINTS TO ASK:

1. Where is the crematory located?
2. Who owns the crematory?
3. When can I inspect the crematory?

We at Cleveland Cremation have an open door policy and invite you to visit us anytime.
