“ May treasured memories bring light to you through this time of loss. A man of faith now stands where we long to be. Bittersweet. Jenn, my sincere condolences and continued love and prayers to you and your family too. I was unable to attend the service, but my thoughts were with you.

“ My deepest sympathies for the Fox family & friends. Roy was such a great friend of mine and his passing is just heartbreaking. I'll never forget his kindness and all the fun we had over the years. I pray for Bonnie & the family that you find some peace in your hearts soon. The world has lost a great man and heaven has gained a great angel.
