

Ann Marie Tiffe

March 12, 2014

Ann Marie Tiff had two great loves in her life. Alyssa Tiffe and Madison Baynes. Sadly, she will never see them grow up. She will not see them graduate or get married. And they will never know how truly amazing she was. At 40 years old, she was taken from us. Tragically and suddenly, she is gone. June has lost a daughter, and Rick has lost his sister. To my children, Damian, Brian, Dominic, and Mikayla, she was an aunt, a friend, and a playmate. And to me, I have lost my best friend and sister. Ann Marie, our lives will never be the same without you. We will all love you and miss you for the rest of our lives. --Jenn

“ I haven't known Ann for very long, but from what I did know of her she was a great person. I will keep Alyssa and Madison in my prayers along with all of Ann's family and friends. I am deeply saddened by this tragedy, but know she is now in a better place. RIP Ann and know that you have made an impact on a lot of lives and you will always be remembered.

“ I'm very sorrowed to hear of the passing of Ann Marie. I met her through Julie many years ago. She was such a kind hearted person. I feel bad for her two children who will never be able to have Ann Marie watch them grow up. I wish them the best of luck in the future. She will be missed. My deepest condolences to her family and friends. Heaven just took another angel. God bless her soul.

“ Ancie Ann, you have touched so many lives and I miss you dearly. You were always my second mother and supported every smart and dumb decision I made. Youve helped me through the toughest times in my life. I will miss singing to you, dirty dancing on you, late night heart to heart conversations and just being around you. I wish I could've seen you before this tragedy. And I wish I could of said goodbye. I promise that I will still be the best older sisteer to alyssa and the best aunt to madison aka mabbsters. I love you and will always keep you in my thoughts and prayers ! And I hope you will always keep a close eye on me and guide me in the right direction at all times. Rest in paradise beautiful.

“ Ann became a part of our family when she was 4 years old and was my sister Julie's shadow! They truly were inseparable growing up. May her memory be kept alive by all who knew and loved her.

“ We came together when she was 12 years old, I actually was adopted by her with title being "surrogate mom". She loved her girls Alyssa and Madison. I love her with my heart and soul, knowing she is at peace. Ann Marie Arnold Tiffe you shall always be in my prayers, heart and thoughts.

“ We met in 6th grade home room and became friends immediately. We remained close through junior high, high school and even for a while after that. We had so many good times and a few rough times too. I will miss the Ann I knew. My heart goes out to Ann's family. Especially her two little girls.
