“ My Aunt Brenda was a smart, fun loving, matter of fact type person. I will miss her so much. I loved to just sit in the room as a child and listen to her and my mom laugh and talk and laugh some more. I found myself doing the same thing as and adult; and I still got that same great feeling. My Aunt Brenda always showed me and my siblings love. She loved my mom, her sister. Exactly one year later you guys are together again. I miss you both so much.
