“ So sorry to hear about Cammie's passing. We were great friends when we were at Roosevelt elementary. In those days we went home for lunch and I can't count the number of times we had lunch together - always Campbell's soup, usually bean w/bacon. Our mothers should have bought stock. We both loved to read and between us I think we had every Nancy Drew book ever written. My condolences to Amy, Scott and Cammie's children.

“ Rest In Peace, Cammie. Was honored to be a classmate at Roosevelt Jr. High and Newark High School. Was invited to spend some quality time with her a few times on Fairfield Avenue in Newark. I'll always cherish the great memories of Cammie.

“ *Our deepest condolences go out to Cam's entire family and close friends. My husband (Brian) and I had the pleasure of being Cam's neighbor and friend in Westlake for just over 10 years. What an energy Cam was. I used to love to make her laugh and that was an easy task. She loved to poke fun at me and I would dish it back to her just as quickly. We shared a mutual love for gardening and just being outside enjoying nature's beauty and having conversation with good neighbors. I will miss her greatly. Stacey and Brian Bigley*
