“ 1 year ago today you left us and went to heaven My heart is still breaking over losing you . I miss you so much Mom . Not a day goes by that I don't think about you and wish you were still here with us. But God had other plans for you. He needed another angel and he took you . Your not suffering anymore and pain free . Save room for us Mom someday we will be together again . Until than my angel continue to watch over us . Love you Tammy

“ I know you may already heard this, Mrs.Ryder was truly not just for myself but for my entire family a bonus mom, a mentor, and a friend she was always present and you could always count on her to provide you with solid advice. Her kindness and love will not be forgotten. Rest easy until we see you again in paradise.

“ My heart goes out to all of you. Mom Ryder will be truly missed. My mom and you were best friends and you were my other mom. Tammy and I grew up believing we were sisters for real and you treated me like a daughter always. I know that you are up in heaven now with my mom laughing it up and looking down on all of your children sending love, strength and wisdom. I know that you will always be in our hearts you will truly be missed. I love you forever

“ I am so sorry for our loss of a wonderful human being. Carolyn wasn't my biological mother, however she would tell you I was and Tammy and Richard is my brother and sister. She always had a way of showing her love for us and letting us know through her smiles, words and actions. I know she is in heaven and looking down on us and only wishing the best. My dear soul Rest In Peace.
