“ I have so many great memories of Aunt Chickie. She always smiled no matter what was going on. I am glad I got to see her and tell her I love you when I did. Even in pain she smiled and said I will tell your mom you said hello when I see her. My prayers go out to all the family in this time of grief. Heavens been busy the last couple years gathering all the Daff's and I bet they are all together now smiling down on us all!!
