“ *Deepest sympathy for all members of the family, from an old childhood friend. So many were glad to see him last year at the Hinton High School [WV]class of 64 reunion. He lived across the street from me, and we did so much together during our childhood years. I remember the tall skinny kid out riding on his bike and the teenager growing and have so many other images coming to mind Wish I had had a chance to say gooby.*

“ *I am deeply saddened to hear of Charlie\'s passing. Charlie and I went to the Methodist Church in Hinton, WV. I don\'t ever remember not knowing him. We were always involved in similar activities from the time we were infants through high school. I just recently reconnected with him through Facebook. I am so sorry that we were never able to get together before he passed away. His family - parents, and brother and sister and cousins - are a big part of my childhood memories. I am will always cherish those memories. My deepest sympathies go out to his wife and children and grandchildren and Jim and Sue Ellen. He will be missed.*

“ Yerda, Jim, and Sue Ellen - I am so very sorry to hear of Charlie's passing. We have been friends since grade school, attended church, worked at the Rink, the "Y", 2 summers on Skyline Drive. I often felt we were like brothers. It's quite difficult to imagine a world without Charlie Miller in it. You all are in my thoughts and prayers and I hope God holds you in the palm of his hand and comforts you during this extremely trying time. Rich
