“ *Dad, You had a big influence in making me the man I am today by teaching me moral ethics, discipline and LOVE; especially by sticking up for what you know is right. You were my golfing buddy for years and we can't forget the "bad boys" bowling team that ruled Hornack's lanes. I miss you already and I will miss you FOREVER! Now that GOD is taking care of you, your sufferings and worries are in with HIS angels. I promise you that your children will take care of Mom. I Love you very much....With PROFOUND RESPECT, Your Son.....Jerry*

“ Dad, now that you are suffering no more and are at peace, I just want you to know that I miss you and love you. I have many great memories of us throughout my life but one that really stands out is when we were able to fly down to Florida to see your cousin Ron who you hadn't seen in 46 years and also go to Bob and Carol's Anniversary party. You will always have a special place in my heart and I will never forget you. I love you bunches. Your Son Ken.
