“ My PawPaw was remarkable. He was truly one of a kind, and he had one of the biggest hearts in the whole world. He was a musician and even when he started losing his voice, he still influenced and helped others. He was also very honest, a lot of times, brutally. He could make you laugh like crazy and make you love him no matter what, always unconditionally. I miss you PawPaw, I know you're no longer in pain and that makes me happy. Life is just not the same without you. I love you more than words will ever say.

“ *My heart goes out to my sister and her family. Chris has been a part of my life for 40 years we had a special relationship no one understood and we liked it that way. We had a lot of ups and downs but he was a brother not a brother in law. He was a funny person who loved his kids and grandkids and his first great grandson. I pray that God wraps his arms around his family to give them peace comfort and strength. Rest in peace Chris love you brother*
