“ I will miss my dear friend. Our meeting was by God's design. Different worlds apart but we became fast friends. I loved her energy and her laughter. Nothing stopped her from going out and living life. We shared some great memories with friends and I grew to love her and was blessed to call her friend. I will miss her but I have precious memories tucked away. I was blessed to be a part of her last days and share the love of Jesus with her. Praying for comfort and peace for Louis and her entire family. With my deepest sympathy ~ Karen
