“ Just a great guy, always smiling, I enjoyed talking with him and he was the BEST maintenance man when he was assigned to the Brook Park Police Station, we hated to see him transfer out to a better position with the Brook Park service department but he deserved it. He will be missed.

“ Shari and family, I grew up in Brook Park and went to Assumption School with Dan. Over the years we lost touch, but I kept up on people's lives thru posts of other Assumption grads. I was sorry to hear of this and pray you find the peace in the time ahead without Dan. You will always have a guardian angel looking over you. Godspeed Dan

“ I am grateful that we were able to reconnect recently. His love & care for his brother (my dad) during his recent illness was genuine and selfless. I could tell how much his family meant to him even in our brief reunion. So much in love with his wife and so very proud of his boys. Gone much too soon & much too fast. Continued prayers for Shari & boys!

“ So sorry for your loss as well as the loss of a friend, and union brother. Danny was always fun to be around. Him and I always considered ourselves lucky, grew up in a great city, and worked for that city. Danny made the world and city a better place. I would often call him "Applehead", he usually called me something that is unprintable. Yes a true friend. God broke the mold when he created Danny.
