“ Dave... I'm so glad that I got to meet you. Got to know you, and hang out with you. You were one of my brothers closest friends. I'll never forget the time that you were at my house in Oberlin, and you kept calling Wood's To Ck... WarFare... watching all of you laugh, listening to all the stories. Great times... Love you man, you will be missed. P.S. Sorry I was parked in the Driveway today.
