

David Lloyd Hunt Sr.

July 23, 1952 - May 25, 2025

David L. Hunt Sr., of Columbia Falls, Ohio, passed away peacefully on May 24, 2025.

A devoted father, David's life was deeply rooted in love for his sons-David Jr., Timothy, and Robert. His legacy continues through his grandchildren: Taylor, Alex, Haley, David III, Timothy Jr., and Mikenna, each carrying forward a piece of his spirit, and love of the outdoors.

He is survived by his brother Charles and sister Susan. He was preceded in death by his parents, Charles and Blanche (née Butcher), and his siblings Richard and Carol.

David found peace in the natural world-whether walking wooded trails, watching the changing sky, or simply sitting in stillness beneath the trees. Nature was, for him, a kind of sanctuary, a place where he felt most connected to something greater and enduring. He understood that life moves in cycles, like the seasons, and carried a quiet acceptance of life's rhythm and mystery.

Though he has left this world, his presence lingers in the rustling leaves, in the open fields he loved, and in the hearts of those who walked beside him. His journey now continues, beyond our sight but not beyond our love.

A private graveside memorial will be held at Spring Grove Cemetery in Medina, Ohio, where David will be laid to rest with his parents and siblings, in a place as peaceful as he was-surrounded by nature and memory.

“ I only have a few childhood memories that I can recall about David. We drifted apart over the years. I have learned much about his life from the comments of others here. I was sorry to hear of his passing and his health problems.

“ My condolences go out to his children and grandchildren that he loved so very much! Some of my best memories are going camping @ Kelly's Island and Putin bay with family and friends. One funny one his kids will laugh @ was when him and his good friend Bill V. from high school were in there tent arguing and next thing we know the tent collapsed - fun party night!! Then they woke up and went out for breakfast. I will miss you dear brother! I can't hear you but I know you can hear me! your resting in peace now and know more pain - I will see you again. My kids and I love you.

“ I enjoyed visiting with David at Hunt Family gatherings. I especially remember a huge gathering at James Bryan Moucha's rural home where David and his Dad, Charley, were having a great time. I don't have a good picture of that day, but I do have a good picture of David at a lunch with his Dad's brother, two sisters and others, but I don't know how to put it on this note.

“ Here’s a memory I know my Dad would laugh at me sharing.

He was a big fan of the old time TV shows. Andy Griffith, Maverick, Little House, etc.

One day in the mid-80s, he took my brothers and me, with a lady friend of his, and some other family members to Wallace Lake in Berea. We were going to have a nice Hunt family picnic. Everything was all set up nice and neat. Looked like a slice of Americana!

Well, Dad busted out a frisbee and told my brothers and I to go play while he prepared the meal. Those that know how the Hunt brothers played as children know where this is going....Bobby crying, me with a swollen eye, Tim with a bloody nose. A wonderful family moment.

My Dad got pretty mad, closed down the picnic, packed everyone and everything up all while yelling “another Walton family moment”.

He wanted us to be like the families on TV....it never quite worked out that way! But hey, we had some fun pissimg him off and beating each other up. Good time had by all.
