“ To my amazing Mom that i love so much. Knowing that you were so loved by so many. You are my world and i will always remember all the good times we shared. You will never be forgotten and thank you for making me the strong woman I am today. You are in a better place and not suffering anymore. I know when i hear the thunder that you are letting me and my children know that you are celebrating with all our other loved ones up in heaven with you and when its raining or snowing those are tears from heaven showing us that you care and happy that we are making you proud. I love you so much Mom and will see you again!
