The way he touched others was truly special, he made me laugh so hard the entire time we have been friends but I don't think I'll ever laugh that hard again. “ I'm not sure were to begin, We met at 7 years old, we were friends, we were first loves,we shared love, life, hurt, loss, forgiveness, laughs, the list goes on but one thing for sure Gregg you will always be in my heart. I hope your up there fishing with my dad and laughing and telling jokes. You will missed down here by many. My condolences to Judy, Bill, Candy, Jamie, Mike and all the kids, I love you all. I hope this poem can ease a tiny bit of the pain you all are feeling..... Fill not your hearts with pain and sorrow, But remember me in every tomorrow. Remember the joy, the laughter, the smile, I've only gone to rest a little while. Although my leaving causes pain and grief, my going has eased my hurt and given me relief. So dry your eyes and remember me not as I am now, but as I use to be, because I will remember you all and look on with a smile. Understand, in your hearts, I've only gone to rest a little while.....
