

Harold Lewis

September 15, 2017

Harold Lewis made a transition on Friday September 15, 2017 from this life into his next adventure. Harold was a sweet and gentle soul, that was loved by all who met him. Easy to talk to and free with his generous spirit, Harold showed devotion to many things in life including love of his family, friends, artistic endeavors, and creativity. He was a talented photographer and mixed media artist. Gifted at working with his mind and hands, Harold created many amazing pieces of art during his lifetime. He did not share his art in an overt way, but rather to those he trusted, in a quiet non-egotistical way, which was his manner. He loved encouraging others in their artistic works. His strength manifested in a deep, inward, and thoughtful way, which was evident in his work and life. He was an artist at heart and those around him believe that he realized his dream. His art was both masterful and beautiful. In his family and friends' eyes, he lived a life to be proud of in so many ways. He is survived by his wife Audrey, Son Harold Lewis, Daughter Tammy Martin, Son Jeff Lewis, Son Drexell Lewis, and countless others. A Memorial Service will be to be held at the family home on Sunday September 24 anytime after 1:00 p.m. Tree planting will happen around 5:00 p.m..
