“ I just found out about Harry's passing. What a great guy he was. In the late 80s he used to pick me up for band practice, everytime, because I didn't have a car. We played some gigs together as well. Thanks for the great memories!!!

“ Larry and I are so very sorry to hear about Harry's passing. We have known Harry for many years. He was a kind soul. We last saw him when he grinded a stump for us! Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May he rest in peace. Amen.
