“ *Heidi, Lucas and family God works in mysterious ways he knew that your parents belong together. They say true love comes but once in a lifetime so awesome they found it young and created such a wonderful family. They had what so many dream of what a blessing. My thoughts and prayers are with you. God bless you all.*

“ *Our deepest sympathy to you and your family Monica! Spending time and growing up w/your family has given me many fond childhood memories! Your dad was my fathers best friend and now they finally get to reunite again after all these years! Your father has always had a special place in my heart and his paintings I have hung in my home are priceless; I will cherish them forever! Know your father was welcomed w/open arms from your mother, brother and my father as he is not alone! RIP Onkel Hubert and please give my father a kiss from me! ❤️*
