“ I don't know what I can say. Jean was in my life for...well now that I think about it, half my life I think, right there with Amanda. And just as well she's been a huge part of it for me. Saying \"I'll miss her\" and that \"I'll be here for those she left behind\" just doesn't seem to cut it in my heart for what I'm feeling, but it's the best my head can work out to say. I'll miss you Jean, thank you for everything. I'm glad at least you're in a better place.

“ Jean was a wonderful person and great mother to Amanda, loved by so many, She will be missed. She was taken way to early in life but is at peace now with her mom and dad who she loved very much.
