“ My dearest Sorella I am still in shock over her passing. J had such a big heart and was such as such a warm and giving person. She was a true friend and treated her friends like family. We had so many plans for when this Covid would pass that it is hard to realize that those plans will not come to pass. I will always keep J in my heart and I will miss her till we meet again. Rest in the arms of the angles my dear Sorella.
