“ *A loss is hard to envision. I meet Mr. Butler and his wife Barbara at Miles Park Corps while first attending church, he was a consistent and committed member. I remember his humor and dedication in everything, he was the heart and sole of the Miles Park Corps.*

“ *I am sorry for your loss. I remember shortly after coming to Miles Park Corps with my daughter, I was looking for something for her to get involved with within the church. when she became of age, she got involved with JAM (Jesus And Me) for the youth within the Corps and the community, which Jesse facilitated. Later as years went by, Jesse became my daughter's Sunday School teacher. I'll always remember Jesse for being direct, as well as making people laugh.*
