“ Just found this about Chip. We have been in and out of contact for years since he was in the Air Force. Just goes to show you should stay in touch with friends. The last time I visited Chip, Hayden was a newborn. We had occasionally exchanged notes since then, but hectic lives somehow prevents one from maintaining precious friendships. My sympathy goes out to Chip's family and all who knew him. Chip was a man of real character and now, six year past, I'll begin to mourn his loss. Dan

“ Joseph was my friend and my brother. We were very close and I shall miss him very much. Work isn't the same without having him there to talk to and work with. I'll see you on the other side.Kurt
