April 18, 2017

Judith Alene Duncan (nee' Lowe), age 69, Strongsville, Ohio, USA, left us suddenly on Tuesday, April 18, 2017. Judy was born in Michel, British Columbia, Canada on June 12 1947, the daughter of Harry and Irene Lowe. Judy married Allen Duncan in Hamilton, Ontario, in 1966, and lived in Hamilton and Burlington, Ontario for 30 years before moving to Strongsville, Ohio in 1977. She spent her winters in Indian Shores, Florida for the last 18 years. She is survived by her loving husband of 50 years Allen with whom she had 2 children, Craig Allen Duncan and Bryce Victor Duncan. Craig is married to Ronda (Langlois) Duncan and Bryce is engaged to Teresa Thompson. She is also survived by her sister Barbara Huisman and her husband Ted, brother in-law Donald Duncan and sister in-law Joan Welsh. She is also survived by 3 grandchildren, Blake, Cole and Halie, and 5 nephews Scott, Brian, Jamie, Douglas and Mike, and niece Odina. Judy loved boating, growing orchids, her flower gardens and her grandkids. She was an avid Cleveland sports fan, and was thrilled to finally see a championship last year with her family. “ Kids growing up in Strongsville, all the things that happen in a new housing development, the people you meet. The friends you become, THATS what we were, and still are. Years go by and we don't see each other, but we know we are there. The parties, the beer, the bowling. Judy and Maryanne I think knew we had another pitcher of beer under the table. Going to Santos for pizza afterword. Dancing at all the New Years parties at that hall in Stongsville(that escapes my mind) We loved her, and you. IT is sad with her loss, but I choose to remember her with that quick turn of her head if she thought we were up to no good. Love not sadness

“ Judy and I have been great friends for at least thirty years. We enjoyed golfing and bowling together and since she started spending winters in Florida, we spent summers getting together for some very long lunches. We had so much in common from our deep love of family to our views on politics. I will miss her terribly. She was one of a kind. Her sense of humor was only one of her outstanding qualities. Al, Craig and Bryce you all know how much she loved you and everyone in your family. The grandkids were very special to her. She will always be in my heart as well as in yours. Love to all of you, Chris

“ Our family shares your grief with the loss of Judy. While I didn't spend much time with her over the decades, I have always associated Judy with her happiness and laughter, kindness and warmth. Her generosity of spirit, keeping in touch with my Mother, Alene, over the years, has been wonderful. We will miss her.

“ Judy and I first met in Grade 3 at Parkdale School just down the street from her home. I was a stair monitor and spoke to Judy about chewing gum. A great offense in the 50's. She spoke to her teacher as she was her pet...I was called up and spoken to and removed from that position of authority. We became good friends through grade school and high school. I remember in our math class she shouted and cheered when the Leafs won the Stanley Cup. She loved #27. In those days she was also smitten by a fellow from another school. He drove a car and would pick her up each day. Shades of Happy Days. Then the invitation to their wedding arrived Judy such a young bride. We attended that day and danced into the hot night...what fun. Judy was always about fun. As happens our lives moved in different directions. But a visit to Burlington was delightful as we met her two boys. Then the news written in the annual Christmas card told of their move to Ohio. Although our last visit was years ago it is still in our memory. Both Judy and Al never changed. Needless to say it was a shock to read this latest announcement. Many more memories come to mind and will always be there. I still can't eat hard boiled eggs without remembering her father's words. Take care Al and the best to your family.
