“ *My deepest heartfelt condolences to the entire family. My heart is breaking for you Wendy, there is no pain like the loss of a parent, especially one as cherished as your Mom. She will always hold a very special place in my heart. She always made me feel like a part of the family and I loved her very much. I'm sorry that in my adult years I didn't get to see her as much, but she will always be thought of as a second Mom to me. Sending you and the entire family prayers and love in this time of sorrow.*
