“ GOD looked around His garden and found an empty place. He then looked down upon His earth and saw your tired face. He put His arms around you, and lifted you to rest. GOD's garden must be beautiful - He always takes the best. He knew that you were in pain. He Knew that you would never get well on earth again. He saw that the road was getting rough and the hills were hard to climb, So He closed your weary eyelids and whispered, \"Peace be thine.\" It broke our hearts to lose you, but you didn't go alone. For part of us went with you The day GOD called you Home.

“ Words can not begin to express how sad Alan and I feel losing such a dear friend. You and Judy have been such good friends to us, all of the game nights and holidays spent together. What a beautiful light went out in this world but, the spectacular light that now shines in heaven. We love you very much Wally...
