“ *Very sorry to hear of the passing of Kevin. We spent many evenings in great conversations about everything it seems, except work. Our topics ranged from dogs, to problems he may have had working on his tractor. They were truly the good old days,*

“ I am so sorry to hear about Kevin's passing.....he was an integral part of the Respiratory Therapy team at MetroHealth Health Medical Center. He demonstrated excellent leadership in difficult situations that occasionally occurred with our patients. He could be counted on to make sure that optimal respiratory therapy was always implemented.
