“ You are the best father anyone can ever hope for. I’m glad God made me your son from the time I was born and took my first breath to the time you took your last breath you loved us unconditionally. I will keep you in my heart and make sure I continue to make you proud as you watch over us. I love you very much and I’m going to miss you every day, but I know you’re dancing in heaven with all of the loved ones.
