“ I am so sad to hear that Larry passed away. I worked with him at Andy Sims Buick (1998-2000) and I would occasionally stop in to see him after I left the dealership. He always made me laugh and had a huge smile on his face! We both went to Brecksville, although he was there 20 years before me. I loved hearing about what his high school years were like there and loved looking at his old yearbooks. I'm sorry that I didn't get to talk with him at all this year and was in fact just today looking up his address to send a Christmas card... I had no idea. I'll miss you lots Larry and I hope to see you again someday.

“ Larry was a classmate that was always kind to me. I remember many hot and humid football practices with Larry; even though we all were in misery, Larry never lost his sense of humor...Goodbye dear friend.

“ How sad to lose someone so young. Larry will be remembered as the guy who made fun of \"choppers\" little sister and always made everyone laugh. I will remember the many years riding the bus with Larry. I am grateful that we had the opportunity to \"catch up\" several years ago. Larry remembered picking on me and apologized all those years later. What a great guy! You are in our prayers.

“ Larry was a great guy, I talked with him not that long ago for the 1st time in over 20 years, it was as if no time had passed, we talked for a couple of hrs. He was a great guy always trying to help & put a smile on your face. He will be greatly missed. RIP

“ It is truly a sad day when I see any of my classmates leave when we are so young. My memories of Larry will live on forever. Besides writing notes to get Larry out of gym class and football practice, I can only smile when I think of the time Larry slammed me on the top of the head with his stack of school books in the hallway. It is those kinds of memories that live on forever and Larry certainly provided us with plenty of them through the years. Larry you will be missed and I find comfort in knowing that you are at peace. “ It breaks my heart to see a good friend leave so early - so young. I'll always remember and cherish the many fun filled and wonderful days we shared over the years. May peace and serentiy follow you on your next journey, my friend. David J. Hastings
