“ I am so sorry to hear of my cousin Lynda's passing. We shared an enjoyment of music, singing duets as she played her piano. We also enjoyed catching up on family news. When I was a child, we lived next door to each other. I remember one time her mother telephoned, asking for her. I had answered the phone, and after setting the phone down, I became so engrossed in conversation, I forgot to tell her that her mother was on the phone. I'm sure she got in trouble for that. Unfortunately, I won't be able to be there on June 5th. I'm having knee surgery on Thursday and will not be up and around by Saturday. My heartfelt sympathies to all of you.
