“ My sincere condolences to the family. Marilyn was a wonderful lady that I had the pleasure of knowing throughout my teenage and young adult years. She was always welcoming, funny and put up with us teenage girls with ease. I enjoyed seeing how she rearranged her house every other time I was there. She could never leave a picture or piece of furniture in one place for too long. I'm sure she'll be rearranging in heaven. Thank you for driving us to the mall, Dancin' and anywhere else we begged to go. Most of all, thank you for my dear friend, Andrea. Rest in Peace and we'll see again one day.
