

Mark McDermott

March 15, 2014

From Kevin I was lucky enough to have Mark as my brother and as my friend for 43 years, he can never be replaced, but his glowing spirit, charm, humor, and heart will be with me always, and I'm sure with anyone who had the pleasure of knowing him. I'm sure Mark knew what great friends and family he had, as he spoke fondly of them often. Please try to keep a little of him in your hearts, and try not to be sad for the loss we all share, rather try to celebrate the joy he brought to everyone he touched while he was here. Rest in Peace Bro, love always, your little brother and friend.

“ *Mark was a gentle young boy when I grew up, his dad, Bill was my mom\'s long time companion and I got to know the whole family for several years. I am so sorry for his loss, I always will remember him from my childhood. RIP.*

“ *How blessed I am to call Mark family. His humor and kindness was felt in small moments or a smile sent in my direction. The last thing Mark said to me was "I love you" followed by a kiss. I will remember him with the same kindness. He had a gentle spirit that I admired. My thoughts and prayers are with his family and close friends.*

“ *I watched Mark grow up from a precious little boy to an awesome man who would do anything for anybody. He was funny, kind and thoughtful and could make you laugh with his great sense of humor. I pray he finds peace on his new journey. So long, Mark. We love you and hold you in our hearts forever.*
