“ Your family speaks volumes! You were such a pleasure to be around and I've always remembered and enjoyed the times when our families would get together back in the day! We've shared a lot of good times and great memories growing up and I'm grateful I had the pleasure of knowing what a wonderful woman you were and what kind heart you had! ❤️

“ I can't thank you enough for being my mom! I will miss our daily chats over tea and küchen. Thank you for your complete support and guidance over my lifetime and especially the last 2 1/2 years. I couldn't have done it without you! It was my pleasure to hold your hand! Spread your angel wings dear momma and fly high to the moon and stars with Hans!
