“ I remember Mr Kramer when my beat friend at the time Don drove to Pennsylvania to spend time at the cabin. I will always remember him with a big heart and genuine caring.

“ I will miss him. I know he is in a better place but I still feel the pain of him leaving this world as I know each and everyone who knew him will feel it in their own way. May God touch each of you in a way as to give you peace and joy for the rest of your time here on earth. May God also fill you with so much of Himself that you can't contain it and you proclaim it In Jesus Mighty name. Amen
