Nancy enjoyed bowling on several bowling leagues over the years and passed that love onto her children. She was involved in girl scouts with her oldest daughter and enjoyed telling stories about it often. She was known as "the lunch lady" at St. Ignatius while her kids were in school there and many of the neighborhood kids still talk about how they used to come over and play at her house all of the time. She loved spending time on her family's property in Tionesta, Pennsylvania where she looked forward to attending the Annual Indian Festival each August. She loved spending time at the metroparks and often had family picnics at Wallace Lake in Berea. She loved fishing, fireworks, campfires and all things sweet and her grandchildren made it somewhat of a game trying to keep her from eating all of those sweets. Nancy loved spending time with her family, especially her grandchildren and great-grandchildren and she is missed by them all! “ Not a day goes by I don't think of you. There has been a rainbow the day after you left us. The next day went to a concert and he had an Elvis Presley shirt on. Your around us every day looking over us. Your my guardian angel now. I love and miss you dearly. Your granddaughter Stephanie.
