

## Peter J. Georgiadis

January 31, 1955 - September 21, 2025

Peter Georgiadis, 70, a lifelong South Florida native, passed away on September 21, 2025, after a long and courageous battle with cancer. He was surrounded by love in the comfort of his daughter's home at the time of his passing.

Born January 31, 1955 to John and Doris Georgiadis and raised in Hollywood, Florida, Peter brought joy, laughter, and a lighthearted spirit to all who knew him. His happy-go-lucky nature and adventurous heart were his trademarks — always finding fun in the everyday and sharing his easy smile wherever he went.

Peter especially loved exploring the outdoors in his RV, going on camping trips, and creating lasting memories with his family. He found great joy in spending time with his grandchildren — laughing, playing, and simply being together. His faith in Jesus was a steady and meaningful part of his life, giving him peace and perspective through every season.

Over the years, Peter worked in many areas of construction, known for his strong work ethic, versatility, and readiness to help anyone who needed it. His hands built many things, but his heart built the strongest bonds of all.

Peter is survived by his two daughters, Kalyn (Tony) Scialabba and Kara

(Brian) Martinez; his five grandchildren; his brother, Fred Georgiadis; his sisters, Kathy Georgiadis Bayer and Eleni Boase; and his former wife, MaryAnn Georgiadis, with whom he shared a lasting friendship.

Peter's humor, kindness, and adventurous spirit will be deeply missed and forever remembered by all who were fortunate enough to know and love him.

“ I met Pete about 15-20 years ago working Catastrophes as a CAT Adjuster in Texas. We hit it off right way with so many things in common, personality (he was a hot) both from Florida and even our kids, I have two daughters about the same ages. He was so proud of them, see his face light up whenever he mentioned his daughter's missionary adventures. We we supposed to do some traveling in our retirement, no one I would have rather gone on an adventure with Pete, you left way too soon,

“ There are so many fond memories of Peter it's hard to say but he always had us laughing! Our first time going to sushi with the kids he proceeds to pick up the green ball of wasabi with his chopsticks and plop it  
In his mouth saying ... guacamole! He then feels the fire in his mouth and falls out of the booth with my dazed kids wondering what happened?! He spits it out ( my kids thought it hysterical ) and says WOW that's hot! Always the prankster making everything fun and an adventure he will be missed and his memories cherished, we love you Peter!
