“ Becky lived next door to my family on Mason Street. She (and her 1st husband Paul) were a Godsend to our family after my mother passed suddenly. She also helped me get my job at Fiske Brothers Refining in 1973\\We worked side by side and used to run home on our lunch hour to sunbathe in our family's pool. She was so fun always. RIP Becky.

Here it is July 4 2025...
Becky and I lived on McKinley Avenue in Toledo, Ohio Becky and I would go to school every morning. We were friends forever. We kept in touch by email and suddenly they stopped. I sent letters to our home I sent to the email with no reply. I did not know what happened. I tried to reach out to her husband, Mark with no reply. I just had my other neighbor from McKinley who lives in Oklahoma. Tell me that Becky had passed away I am just heartbroken her mother, her dad or two brothers such a wonderful family well I guess now I know why my emails weren't answered. Becky rest in peace.
