“ I was just about to text a "Star Trek"joke to Bob, when I realized again, that he is no longer here.I met Bob through his sister, Becky. When we first spoke, I could tell quickly that Bob was very intelligent, and could hold his own in a conversation. I just happened to be wearing my "Star Trek" sweatshirt, so he went right into "Trekkie" talk. That was refreshing, as I know so much about "Star Trek." It's hard to find "Trekkies" anymore.Bob was a role model to my son from the time he was 7 and a half years old.Bob was a great guy. He was quick to lend a helping hand and he could make you laugh by telling you he was a Steelers, Browns, and Patriots fan! He will be missed."Live Long and Prosper" in heaven Bob.
