“ I am truly blessed to have gotten to know Shirley so well. I had the absolute pleasure of helping to maintain her pristine property in Moreland Hills with her son Steve. I enjoyed her company and her stories so much. My condolences to all her family, especially Steve, as I have known you for a long time. I'm sure you'll agree she has already found a new beautiful garden to tend and is at peace. What an awesome woman! I will always have her in my heart!

“ Dear Janette, John, Sue, Steve, spouses, grands and great grands, I have been trying to figure out what to say. Shirley was a wonderful Other Mother! I have fond memories from the home in Pepper Pike. She was always kind but firm! Lloyd was mentioning yesterday the Bridal Shower held at the house and how impressed his Mom was with your Mom. I could go on and on, but will end here. My prayers are with all of you and when we can get together to celebrate her life, I will be there. Debbie

“ Our deepest condolences to all of Aunt Shirley's family... She had a wonderful life, long enough to celebrate her 95th birthday last year with her children at her beloved Country Club... She lives on in all of our memories... We hope you find peace and grace in knowing that she's free in God's heaven...
