“ Dear Hayden Family, I'm so sorry for your loss !!! grew up with Steve, from 7th grade till now, When it comes to friends there wasn't many like him, Steve and I have the same exact tattoos, Which we put on in 8th grade, we knew we would be in big trouble for doing it, But Steve came up with the great idea to put "MOM" in the tattoo, so when are mom's seen them they couldn't get to mad, And it worked, lol ,We were really tight back then, we enjoyed a lot of the same stuff, Gymnastics , Playing our guitars, Hanging out in the woods, We were known as monkeys back then, I have so many memories thanks to Steve, I'm gonna miss him, My heart is so heavy right now, When I get the chance this weekend I'm gonna toss back a few and say goodbye to my friend, Again I'm very very sorry for your guys loss, I know he loved you all very much, God Speed my friend
