“*Brian, my deepest and heartfelt condolences to you and your family! I have never met Steven but I recall you mentioning him quite often. There is nothing in this world like a brother relationship. I don't know what to say or what to do but prayers and thoughts for you and your family! You have been an inspiration to me beyond what you'll ever comprehend and I'm thinking Steven was the same to people who loved and cared for him as well. I am so sorry for your loss and so very empathetic to your family. God be with you all!*”
