“ To the family and friends of Ms. Susan Bednar, please accepted our condolences over your loss. I know this is a very difficult time because losing someone you loved in death is not natural if it was we would be use to it by now. Christ Jesus promise that someday we will be able to welcome back our loved ones that have fallen asleep in death by means of the resurrection, he said \“Do not be amazed at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out\” (John 5:28,29; Revelation 21:3-5).

“ My deepest sympathies for your loss. May your burdens be lightened through these hard days. Sandra, I wish I could attend the services, to be there for you, in person. It's impossible for me because I don't drive. Remember, my heart will be with you in spirit always. We put on too many miles back in the day, and because of all that I still claim you as my sister Sandra. Take care- xoxo
