Born with Down Syndrome, a stroke at 35, diabetes, losing his parents, sister, beloved cat Baby, cancer, amputation of his leg, and none of this brought Tommy down. He cracked jokes, even after his amputation calling himself pegleg. Tom was very witty and funny. He had nicknames for everyone and everything that were extremely fitting. He loved riding his bike, walking around meeting people, going to the lake, fishing, camping, watching TV, and Cavs and Ohio State games. He especially loved lights, any kind of lights but his favorite were Christmas lights. If you were ever in need of a light Tom had one for you. There wasn't a person Tom met that didn't take to his kind personality. He knew everyone. He helped anyone whether they asked or not. Tom would give you his last dollar or anything he had if you needed it. He will be deeply missed by all. His beautiful spirit will live on through those that knew him. Service: Memorial service planned at a future date due to Covid19.

“ Dear Tommy, You have always been a beacon of kindness and love. I will never forget all of your kind words and actions, like reading to the kids when they were younger. Helping people in need. And always putting other first even though you were the one in need sometimes. I am so sorry to Theresa, Bob, Jess, Russell , Michael and all of the others that LOVE you so much. I know you are in God's abundant love right now. Your beacon will be shining here with all of your kindness and love that you have shown.

“ Tommy, you finished your life's work on earth with such joy and touched everyone that met you...you are now a soldier in God's army and lighting up the heavens the same way you did on earth. May you find the peace you so richly deserve.

“ Thomas, so many pictures come to mind at this moment. You were always there, for the six and half years I lived there. Whenever I traveled, you always helped out feeding the cats, that lived outside. I've been gone for close to two years now, but I can't say I miss you, because, it feels like you are still here with me.

“ Tommy was a sweetheart. He made me laugh at times when I was very down and sad. He brought so much joy to others. His warm heart and kindness was a gift to us all. I pray that his family can find peace knowing he is with the Lord and is no longer in pain and suffering. Always in my heart.
