

Thomas E. Feher

April 8, 2024

Thomas Edward Feher, born on September 23, 1941, lived a life that was as colorful as it was unapologetically his own. He passed away on April 1st, 2024 at the age of 82. A former Navy serviceman, Tom, or 'FACE' as his friends called him, lived a life that was marked by his love for the open road and the roar of his motorcycle engine. He wasn't one to shy away from a good time, often finding joy in the company of friends and the freedom of the open highway. His presence was unmistakable, punctuated by his crude remarks and larger-than-life persona. Despite his rough exterior, Face had a code of honor that he lived by. He may have been rough around the edges, but he wouldn't hurt a soul, as his tough talk often overshadowed his true nature. In his passing, Tom leaves behind a trail of memories, both good and bad, that will forever shape the lives of those who knew him. While he may not have been a conventional father figure, he was undeniably himself until the very end. Preceded in death by his brother Joel Feher, his mother Rose Ostrovic and his father Joseph Feher. He is survived by his daughter Gwen Feher and his sister Bonnie Downey (Paul). A gathering in remembrance of Tom's life will be held at the Party in the Park venue on Saturday, June 1st where friends are invited to celebrate his life and share stories of their time with him.
