

Thomas Vitaz

September 25, 2019

Tom Vitaz was reunited with his parents, Frank and Dorothy and sister Mary Ann in heaven on September 20th. Those missing him here on Earth include his six children: Debbie, Mike, Todd, Paul, Melanie, Susan and their families, which includes 15 grandchildren. As well as his surviving siblings: Dave, Bob, Barbara Sue and Francine. And all of those who knew him during his 76 years of life. A short memorial will be held graveside at 10 am on Monday September 30th at Holy Cross Cemetery. Following the memorial we will have lunch at one of his favorite restaurants, Olive Garden and then go bowling, another one of his favorites! If you feel inclined to do something in his memory, please consider donating to the wonderful organization Western Reserve Hospice. They not only made him comfortable during his last days but they also made us feel a little more at ease with losing him. Attachments area
