“ My dear sweet Tony, Life has continued to move on in this past year but since you have left us I have never felt the peace, security, and contentment I had with you. I think about you so many times a day, everything is such a good memory. I miss you so much. We had such a beautiful loving life. I would give anything to go back to that time in life. I know you are at peace and someday I will be at peace with you. You are and will always be my soul mate. I love with every ounce of energy I have. Rest peacefully until I see you again. All My love....your wife Donna

“ Its been almost 4 weeks since I said goodbye to my husband and best friend. I miss him so much. 23 wonderful years together. We had so many goals we accomplished together in life, so many things we did together, and best of all, all the fun we had together. I am very grateful for the time we had together, but 100 years would not have been enough time to spend with Tony. He was an amazing husband and father. The kids and I have such wonderful memories of him and all the ways he made our lives special. Our special bond will never be broken. I know I will be with him again someday. That is the day I will finally be whole again.

“ You are greatly loved and missed. You will be remembered in our hearts,minds and prayers. We did alot together and still not enough... We completed things things and left alot unfinished... We laughed at our mistakes, what I didn't know you did and what you didn't know I did. You helped your family though these trying times more than we could help you. The world didn't end on 12-21 - 2012, but part of ours did. We all love you Dad

“ Ray, Jeannie, Donna, Angie and the rest of the Tony Stiles family...losing someone so full of life and love is just impossible to believe. He was larger than life itself. How he loved you all. The way he was most often described was as a loving son, husband, father, brother, brotherinlaw, soninlaw and friend. He guided us through the frightening times with grace and dignity...along with his faithful sidekick Petey. He was so brave. Now that he has passed through Heaven's Gates...there is little doubt that the rules have changed up there. The place will be rocking...and if you listen carefully you will hear the sound of Mustang engines revving up....with Tony leading the pack....Angels trying to keep up...as the zip around the track!!! Excitement and laughter...just as it was here on Earth! He is always with us, you know. He will make us smile, laugh and cry a million times ...just like always. We will not forget you Tony.....um.....NOT A CHANCE! LVU....REST IN PEACE.
