“ *First, my condolences to my friends Tim, Tom, Jack and Kelly. I have lost a friend in Wil. I have known her for over 60 years. I will always smile when I think of her. She was a good person, mother, wife, and friend to many. The time I spent in her presence was always enjoyable. I will miss her her and her smiles. Rest in peace Wil.*

*Wil & I go back a long way. When Tom & Deb & I were teenagers she was the cool Mom who had us all over & loved deep conversations with her. I saw her a few years back & same thing "Sit down, have something to eat & talk. She was my Grandma's best friend . She LOVED dogs like Tom Deb & I and maybe even Kellys little pig! She loved to decorate so no wonder her & my Grandma hit it off. There is an empty corner in my heart til' I see her again & I hope all her children are comforted by knowing she loved them w/ a passion. her favorite color*
