“ Sweet Yvonne... I loved you as another sister, another Mitz, and I love you still honey. Love never changes. I will surely miss you and our fun visits at my job. You always made me laugh so much. I will see you again, this I'm sure of, because God promises a new Heaven and a new earth. All is forgiven you now, Sweetheart. You are resting and feeling no pain. I'm sure you will live on in all the hearts you touched. I love you dearly, my friend/sister. Love, Renée (Mitz) ❤️

“ Know that my prayers are with your family. I was a coworker of Yvonne's and I have fond, fun, loving memories of her. She always spoke of you (Frank) and Jonathan. We never met but through her stories I feel like I personally knew you both. This is such sad news to me and I deeply felt her loss. May god bless you & your family through this trying time. She is now at rest and at peace. I was blessed to have known her if only for a brief time. I have many great memories with her. Rest in Paradise Yvonne. Love you.

“ Dearest Sister,There are no words to describe the void I feel in my heart. I will always remember that smile, your hug and that sassy attitude. I hold so tight our childhood memories growing up. You have no idea how many people you touched throughout your life and just how many loved you. Although my heart is sad and I wish you were still here, I know you are up there in God's embrace with no more suffering and pain. Until I see you again sister, I LOVE YOU and I MISS YOU so so much! Rest now sister and fly high with the angels! Love your lil' sis Lisa
